NOTES

Cecile married Antoine Overy on 5 February 1859 in St. Ferdinand Church, Florissant, Missouri. (Film 008119510 on FamilySearch, Image 846)

The 1910 census shows Cecilia Overy living with her cousin, Peter Hubert. She says she has eight children, all living. (Date on this record is 23 April 1910, residence is Margaretta Avenue, St Louis City.) She is also shown with her son, George, on 26 April, residence is South Broadway, St Louis City. In that record she says she has had eight children, three of whom are living.

A note on the burial record says she was interred "in the lot of Ant. Overy" in St Ferdinand's Cemetery.

The death certificate is confusing. Her son George was the informant and in answer to the questions about the deceased's father and mother, he gave information about his own father and mother. So the record says that her parents were Anton Overy and Cecelia Theubo!
